ARCHITECT'S SEAL SAMPLE

Please return this form to the New Mexico Board of Examiners for Architects with a sample of your architect's seal here:

Please print below how you wish your name to be inscribed on your formal wall certificate.

__________________________
PRINTED NAME

Your formal wall certificate will not be prepared until your name as you wish it inscribed is received by the Board. Formal wall certificates are signed by the Board at its regular quarterly meeting and will be sent to you shortly thereafter.
NEW MEXICO ARCHITECT'S SEAL INFORMATION

Each Architect registered to practice within the State of New Mexico shall secure a rubber stamp type circular seal of the following design: the rubber stamp shall have two concentric circles — the outer circle 1¼ inches in diameter and the inner circle 1¼ inches in diameter. The upper portion of the annular space between the two circles shall bear the words, "STATE OF NEW MEXICO," and the lower portion shall bear the words, "REGISTERED ARCHITECT." The space enclosed by the inner circle shall bear the name of the architect and his registration number.
